

The Princeton Collaborative Low Temperature Plasma Research Facility (PCRF) <http://pcrf.pppl.gov> will soon be open for its third round of solicitations for collaborative research proposals from the scientific community. The schedule for this year's call is:

Call for proposals opens: October 12th, 2021

Call for proposals closes: December 17th, 2021

External Review: ~1 month

Notification of Principal Investigators: by February 4, 2022

You can hear about PCRF first and second rounds of solicitations and the selected projects by attending the presentation which will be given by PCRF Principal Investigator Yevgeny Raitsev (yraitsev@pppl.gov) at the 74th Annual Gaseous Electronics Virtual Conference (GEC), Thursday, October 7, 2021, 9:30 am-10 am, CDT.

The PPPL PCRF is supported by the US Department of Energy, Office of Science, Fusion Energy Sciences, under contract DE-AC02-09CH11466
